The Newport Heights PTA, principal and staff would like to help. We are partnering with the district's Parent Action and Advisory Council (PAAC) for parents of ESL students and culturally/racially diverse students on a new pilot project called WELCOMING SCHOOLS. The goal of this program is to identify and implement simple ideas to create a welcoming environment for new parents and kids.

Our first step is to identify bilingual parents who can help us communicate with families that speak a language other than English. Do you speak Chinese (either Cantonese or Mandarin), Spanish, Vietnamese, Japanese or Korean? Do you know someone who can? Limited English speaking ability is ok.
